## WHISKBROOM WINS RACE IN RECORD TIME

Harry Payne Whitney's Splendid Chestnut Takes His Third Great Handicap—Mile and Quarter in Two Minutes

(ASSOCIATED PRESS DISPATCH)  
NEW YORK, June 28.—Whiskbroom, the big chestnut son of Blackstock-Audience, is the most "checked" horse in America tonight carrying a crushing weight of 122 pounds Harry Payne Whitney's five-year-old filly, by Jack Nott, won the Suburban handicap at a mile and a quarter over the Belmont Park track this afternoon and established a new world's record of two minutes for the distance.

At a length ahead John O. Falbo's gelding, Laborer, was second. The night-making the pace for Whiskbroom. He opened up a lead of four lengths while Whiskbroom, under double wraps, was outpacing the others. After a long run down the back stretch Nott took a strong hold on Whiskbroom and eased him back to the rest of the company while Nottstick continued to race along in front.

Approaching the turn into the home stretch there was a general shaking up behind the leader and Whiskbroom drew along side his stable mate and the latter was pulled a lot wider by his jockey in order to give the big horse racing room. From there to the finish Whiskbroom was always in command although at the last furlong pole Nottstick was compelled to draw his whip as Laborer moved on the outside while Meridian made a determined bid for the rail. The winner was hard ridden all the way home but answered each challenge with remarkable courage, holding both horses safe to win by a length from Laborer who ran a fine race. When the time of two minutes was being set, his jockey was questioned by several horsemen who held watches on the race. W. H. Barretto, the official timer, was accused of having stopped his watch when Whiskbroom passed the regular finish line instead of the real line. In this event which was forty yards and some inches further on Barretto insisted his timing was correct as he stopped his watch at the fall of the flag where the horses finished and the time of two minutes stands as the official record.

Not in the history of the race has such weight been carried to victory and in addition to his new world's record Whiskbroom has been credited with the hitherto unprecedented feat of winning all three big handicaps, the Metropolitan, the Brooklyn and Suburban in the same year.

The value of the suburban to the winner was \$2500.

## K. C.-MAROON GAME EARLY AFTER NOON

First Game of New Phoenix Grounds to Take Place in Time So Phans Can Get to Tempe.

The new Phoenix ball park on the corner of First and Grant streets will be used for the first time this afternoon for the first game of the Knights of Columbus for their first game, but the contest will in no way constitute the "christening" of the new grounds.

Castle has a reorganized Maroon team, that he hopes to take to Proccott, there to play the Jerome miners in a July fourth tournament before the big Frontier day crowds. Joe Kehoe has a well practiced set of hitting fielding amateurs who will make it considerably interesting for any semi-pro outfit in the valley. So the contest is likely to be a hot one. This is the first time these two teams in their present forms have met, and the encounter will be watched with a great deal of interest. The Maroon-K. C. game will be called early in the afternoon in order to permit the crowds to take the baseball special for Tempe for the Tucson-Tempe game at 3:30. The train leaves at 2.

Castle will play the following team: Smiley, p; Castle, c; Kill, 1b; Andy Scott, 2b; Butler, ss; Ritchie, 3b; Delgado, Jr., lf; Gabe, cf; Teddy, rf; Knights of Columbus: Hegele, left field; McCauley, center field; Geare, right field; Benenato, first base; Seaman, second base; Wager, shortstop; Kehoe, third base; Pat Hurley, pitcher; Bud Hurley, catcher. This will be the first time the Hurley battery has been seen in action here for a long time. The machine works good.

## FREE-FOR-ALL MILL DECIDED

Walter Kane to Come Here to Box George Meinsie—Referee McMorris Sustains Republican in Gage-Daly Matter

George Meinsie and Walter Kane are going to spar ten rounds before the Phoenix Athletic club at the 12th theater July 4 and—oh, yes, by the way, incidentally and likewise, Referee McMorris of the Gage-Daly bout Friday night has said his say concerning that much wrangled contest, and the statement bears out everything reported in The Republican yesterday morning. Meinsie and Kane will weigh 145 pounds each, but the dissatisfied element in the Gage-Daly go are now perforce decided about the mill. Young Chojnski and Kid Vaughn will shape up for the six round semi final at 122—and the Gage-Daly bout the other night was not a draw.

It would be possible to mix this thing up a lot more. There are two more preliminaries in the July 4 fight, mention of which could be made in connection with the disputes of Friday night, but what's the use. It has been truly said that if arguments over bets on boxing contests become too loud and frequent, the game will be ruined here. And that would be too bad, for the start has just been made. McMorris made his decision, but under the laws here could not make it known. It is customary, however, for the newspapers to announce their own decisions, and the fact that all three of the leading Phoenix dailies came out with the same decision means either that Gage looked good to all, or the representatives of all three were "influenced." Also, the referee.

Jack McMorris' statement. The boxing exhibition, staged last night between Gage and Daly was, in his opinion, the best ever held in Phoenix.

Had I given a decision on points, I should have been compelled to award the match to Gage.

I am sorry I could not have seen the boys go over a longer course, as my opinion, in such a case, would have been necessary. Both boys finished strong on the shorter course.

The boxing fans of Phoenix should appreciate the exhibition given them by Dan and Gage last night.

JACK McMORRIS.

Kane and Meinsie will be a good card for Independence day. All are anxious to see the delightful George on the platform. He has withstood his appearance like a designing devil, and when he does come out he will be greeted with hearty cheers. Kane, the game lad from Yuma, will also bring lots of folks to see the match, as he went every Phan in Phoenix by his work against the cleverer Daly June 29.

Kid Acauna, who is getting better all the time will be seen in a four round spar with Jack Williams at 133 pounds. Jimmy Burns and Jack Lyons are a good match at 133 pounds for the second four round go and that completes the card.

lead the first seven innings only to have the Wolves come through with some timely hitting which evened up the score. From the eighth to the eleventh innings inclusive Los Angeles did not have a man on base.

Maggert opened the twelfth with a walk, Page tanned, Metzger singled, Johnson doubled, Ryan singled, scoring three runs. In the tenth the Wolves had men on first and third with one down but lost the chance when Kenworthy was caught at the plate on a close decision—squeeze play.

Dog's Men Come Back  
LOS ANGELES, June 28.—After losing three consecutive games Venice came back today and administered an 8 to 2 beating to San Francisco. The San Francisco infield went to pieces in the seventh inning making five errors which coupled with five hits by the southerners gave Venice a seven run lead. Both the Seals' runs were made on home runs by Charles Johnston.

## TEMPE TEAM TOPS TIRED TUCSONITES

Visitors Lose to Bears, 9 to 4, in Fairly Featureless Game—Play the Second Game at Tempe Park Today

After the first thrilling inning, in which everybody hit at will, yesterday's game between Tempe and Tucson at Eastlake settled down to a free and easy going victory for the Bears—a victory in which the team weariness of Tucson's tossers undoubtedly had a part if not all to do. Tweed, the luminous haired hurler of the southside was tapped for a walk, two doubles and a single in the first inning, but saved his country repeatedly in pinches thereafter, being credited with the victory in clean cut style. Nine hits and four runs in seven innings was his record, rather marred by five walks.

Tucson plays at Tempe today, an Arizona Eastern Special leaving here at 3:00 for the game.

It is a hard game to write. Not a single feature sticks its head above the dead level of baseball. The game was interesting to the fair crowd of fans who walked and rode on backs and autos to the park, during the air strike to deprive them of their game.

Tucson started out in winning fashion, first up in the initial frame, Tweedlums issued a pass to Dodge, but tipped Hansen with an easy throw to Pacheco immediately thereafter. Solinger, the hard hitting Tucson batsman, whaled out at his socker, that scored the lightning like Dodge. Pacheco then hit for a single and Solly scored. When Godfrey hit to the same place in deep center, and Mullins failed to cop his third try, young Harris, a last year's high school player went in to take the position. He did rather better, scoring but one error in a number of warm chances. But Williams, batted and Uquidez whiffed at the hands of Hudson and Griffen, working in close cooperation along the southeast path.

Tempe also began to wallop the pill in the last half of the first. Spikes got on first when Williams failed to discover that little white thing among his feet. The Tempest went back to the bench after he failed to negotiate the passage to second on Meier's short slide. Kelly was safe on first. Hudson waited and received the four war-balls Cape had and walked. Nuts' nice hit and a passed ball scored Meier and Hudson, and the husky catcher was himself scored Tweed hit a zizzer out right field two. But the single, unexplained further was out at third on an advance that failed. Harris walked clearly but Griffen popped out to Pacheco. This was the first of several unassisted but ours for the large josh on the south sock.

Tweed had a big hole the next space, three men on with a hit and two walks. But he fanned Young and the support did the rest, so Tucson did not score. Tempe was likewise held in this inning, though once there were three Bears prancing on the paths. Hudson placed his Corinthian form in the way of the pill and went to first forgetting to lurch.

With two out, Tempe scored twice in the fifth, for two hits, two outs and two errors. Uquidez and Mullins managed to force a pair of tallies. The visitors put Myers across in the sixth on an out, a hit batter and a hit. Tucson had three on this space. The last of the sixth was time for three more Tempe tallies. Tweed's hit an error and Uquidez's slashing, double scored Tweed and Harris, and Leach scored when Mullins hit and threw out by hitting to second on the throw in.

The first of the seventh was a funny inning. Out of about seven passed balls, and a general wildness only one scored, which was remarkable. The play was so fast that even the scorer failed to get it all. Pacheco was on with Harris' error. Godfrey died short to first. Williams walked and then things happened. On Uquidez's bingle, somebody slammed the pill to the plate to catch Pacheco but failed. Nutt then slammed the ball three feet and five inches over second and it was up to little Harris to stop the pill, which he did neatly. He threw to third and caught Williams. Uquidez then got on first with a fielder's choice and Uquidez just barely failed to get home on the great big long throw from Mullins.

On Tweed's request, he was sent to center to replace Harris, while Darling the southpaw went in to pitch. The rest of the game was perfectly ordinary. Darling was steady and never in danger. When Uquidez successfully caught out Godfrey and Williams in the first of the ninth the game was over.
